SCRS STUDENT CHAPTER KARE

MEMBERSHIP BENEFITS

Technical Knowledge:

The chapter hosts technical talks and discussions, bringing in experts from the field to share their knowledge and insights and keeping members updated on the latest advancements in engineering and technology.

Awareness of Industry Trends:

SCRS Students' Chapter activities keep students up-to-date on industry trends, best practices, and challenges.

Fee Subsidy:

SPOC and registered students can receive discounts on registration fees for all SCRS programs, including conferences, workshops, and seminars.

Professional Growth:

SCRS offers various academic events including workshops, seminars, and conferences to enhance students' technical and non-technical skills, preparing them for future careers in engineering and science.

Academic Network:

Interactions between students, faculty and industry professionals are facilitated by establishing students' chapters in different universities and colleges of the country.

Academic Excellence Awards:

The chapter provides awards and recognition to the chapter students who demonstrate exceptional academic and extracurricular accomplishments.
